WELCOME BACK TO SCHOOL!

Dear Parents and Carers

Please can I start with a huge thank you for all the support from you and your child after a period of many months of being away. It has been extremely impressive how the children have settled into school, they are a credit to you all.

As we begin our term, it would be greatly appreciated if you could keep following the routines that we have set up. It is very important that you have your child near you so that social distancing can be maintained using the spots provided on the yard.

The general rule for drop off / collection is that if you have multiple children in your family you arrive at the latest time (9am) and that you collect your children at 3pm from the youngest child's classroom. An alteration that we would like to make is that Reception children without a brother or sister in school to be collected from the Reception gates at 2.50pm. Year 1 and 3 will enter and leave the school from the Key Stage 1 yard as we have started to do on Thursday and Friday to ease congestion.

We are introducing a hot meal option from next week and you will receive a menu showing these options. As school meals are all new please can you bear with us if there is an occasional mix up with your child's choice. We will always make sure your child has something to eat, as you will appreciate that they will be some teething problems along the way and we will make every effort to amend these as soon as they arise.

As you may be aware Mr Cameron, our caretaker, is retiring as of today and we are delighted to announce that we have appointed Mrs Luxmore as the schools new Caretaker.

Finally, the most important thing to say is that it has been great to see all the children back in school and looking very smart in their school uniform. Thank you for working with us to making this happen.

Yours sincerely

Simon English
