

Year 3 and 4 Autumn Term Homework

'The Stone Age'

Over the next term we will be learning about 'The Stone Age'. You need to complete at least 9 activities from the grid before the Christmas holidays. Everyone who completes their homework this term will receive a special treat. Make sure you colour in each box on the grid, as you complete it, and ask an adult to initial and date it. Please make sure your homework is in on a **Monday** ready to share.

Create a detailed fact file about the Stone Age period. How will you make it interesting?	Create an information leaflet about a Stone Age village.	Create a game or a quiz about the period. Remember to research as much information as possible.	Write a menu for a Stone Age family.	Create an example of Stone Age cave art. Does it tell a story?
Use the internet to find out all you can about what the Stone Age people wore.	Make a Stone Age dwelling (home).	Join your local library and check out a non-fiction book about The Stone Age period.	Create a short story about a time traveller who visits the Stone Age.	Research Stonehenge-present fore findings in way of choice.
Create a diary entry about a day in the life of a Stone Age man. Who will you be?	Design and make a model of a Stone Age tool.	Create your own shoebox Stone Age scene.	Using the tune of a well-known song, make up your own song about The Stone age to teach the class.	Research Skara Brae. What is it?
