

Hi everyone,

We hope you are having a nice time with your families. We have missed seeing you each day but have enjoyed looking at the photos of your work that has been emailed. We would love to see more. You can send it to y3-4@zetland.org.uk

As it would have been the start of the Easter holidays today it would be nice to see any Easter crafts you have created. There are lots of ideas on twinkl. If you would like to decorate an egg and send a picture to the email address we will choose a winner and give a prize when we get back to school.

Keep safe and smiling.

Love Miss Archer and Mrs Moses xx 😊😊
