

Ancient Greece Homelearning

Summer 2020

Here are your home learning activities for our Ancient Greek topic.
We would like you to try to make one of these items each week and upload your pictures to : y5-6@zetland.org.uk

Your work should be beautifully presented and in your own words, you cannot just copy and paste from the internet. **N.B always use the internet with an adult close by please.** We want you to enjoy finding out about Ancient Greece and if you find one element really exciting we would love you to make a mini topic of it! Please upload to finished work to the above email address along with your name.

Make a Spartan helmet or design a shield.

Make an A-Z of Greece. Think about presenting your work in the best way possible. What could you do on the border? You could add an illustration to each or some of the letters along with small pictures linked to your sentences.

Make a travel brochure about Ancient Greece
Where would you travel to? Where would you stay? What could you do while you were there? Who would you recommend to visit? Use pictures with lots of facts and information.

Design your own Labyrinth. It could be made of straws, string or wood.

Research visiting a Greek restaurant.
How it is different to traditional English food?
Design your own Greece menu, maybe have a go at cooking some Greek food and take pictures and label them or make a poster.

Create a picture of an imaginary Greek God. Make sure your poster is eye-catching and full of facts and information. Try to think of a symbol for your God.

Turn a myth into a cartoon, for example, Theseus and the Minotaur. Use lots of speech bubbles.

It's all Greek to me! Find out some simple Greek phrases. E.g. Hello, How are you? What's your name? Etc. Can you make a poster to display them in Greek & English? Make sure you can pronounce them correctly and teach them to the your family - you could even take a short video and upload it for us all to see!
