Weekly plan for the summer term for year 5/6.

Everyday you need to be practising your time table rock stars ( we know who has been practising- if you've forgotten your login then send us an email message and we'll let you know your details.).

Below is a grid which should help you keep occupied everyday and we would love to see the work you've done by sending us a picture or copy of it to [Y5-6@Zetland.org.uk](mailto:Y5-6@Zetland.org.uk).

Please check out BBC bitesize because every day from the 20<sup>th</sup> of April there are live lessons being streamed. We have included all the hyperlink addresses but please only use the internet if an adult is present. Every week you will get a set of maths questions from Mr R for year 6 and from Mrs F-S for year 5, these sums need to be done in your maths books and the answers to the previous week's work will be given the next week so that you can mark them- you can also have a go at doing your topic based maths. We don't mind which week you decide to start on with the plan - but please pick a week and do everything on that week's plan.

We would also like you to learn 20 spellings a week off the National Curriculum 5-6 list please see attached page.

Can parents please always give a high 5 on Marvellous Me to acknowledge that you've seen any messages as this will help staff know who we have to contact to check that everything is going alright. We are only an email away so any problems get in touch we'd love to hear from you.
