

<p><u>Shape, space and measure:</u></p> <p>Can you make a pattern outside using natural materials? You could make a pattern with leaves and sticks.</p> 	<p><u>Understanding the World:</u></p> <p>Have a look at the website https://www.firstdiscoverers.co.uk/early-years-science-activities-eyfs/ and try a science experiment. Maybe you could make some cornflour slime or make a homemade marble run?</p>	<p><u>Reading:</u></p> <p>Listen to some online stories - there are lots on the World Book Day website or https://www.youtube.com/watch?v=OgyI6ykDwds (We're going on a Bear Hunt).</p>
<p><u>Art and Design:</u></p> <p>Have a disco! Put on your favourite music and dance around the room. Maybe you could play a game of musical bumps or musical statues?</p> 	<p><u>Communication and Language:</u></p> <p>Have a go at learning some makaton. Look at the website: https://wetalkmakaton.org/</p>	<p><u>Writing:</u></p> <p>Use a brush and a bowl of water to write letters, tricky words and numbers outside on the floor and the fence!</p> 
<p><u>People and Communities:</u></p> <p>VE day is on Friday 8th May. Why not have a little party at home? You could make union flags to decorate your house. You could even have a little afternoon tea with sandwiches, scones and cakes!</p>	<p><u>Number:</u></p> <p>Write some numbers in chalk on the floor outside. Roll a dice and jump on the number. An extra challenge - roll the dice, double the number and jump on it!</p> 	<p><u>Technology:</u></p> <p>Have you got a remote controlled toy at home? Could you plan a route for it and control it carefully around?</p>
