

Ancient Greek Tasks

The Ancient Greeks were famous for being excellent inventors. Use the resource link below to investigate two inventions. Write an instructional text explaining about how these are used. Remember that you will be using imperative verbs, bullet points and a clear opening explaining about what the invention does. Use a labelled diagram to enhance your writing.

One of my favourite stories is about Pandora's Box. The link below will give you an abridged version of the story and below that is a link to the myth on YouTube.

<https://youtu.be/rNk-zV2T7bI>

Once you have read/watched the story, your task is to write a letter (as Pandora) to Zeus explaining why you opened the box and why you would like to apologise. Think about an opening explaining about why you are writing the letter. Also, write about what your motivations were and most importantly, why you are sorry for opening the box and the lesson that you have learnt.

BBC Bitesize continues their daily lessons, which can be found by following the links below:
