

ANCIENT GREEK HOMELIFE

For this week's tasks. I've given you a timeline to complete - You can use the information contained below OR conduct your own research (There is also a booklet, on our website, which contains lots of information that you can use)

Diary Writing

Your task is to write a diary extract as either a boy or a girl living in Ancient Greece. Think about the tasks/chores that you might have to do. Remember that a diary is personal to you so it must contain lots of feelings and emotions.

Follow this link for some ideas:
