

<p><u>Sharing a Shell challenge grid</u> 1st-5th June</p> 	<p>Listen to the story of 'Sharing a Shell' on the internet. Which creature is your favourite?</p> <p>https://www.youtube.com/watch?v=6KuSl9eXgpk</p>	<p>Have a walk down to the beach (socially distanced of course!). Can you find some shells? Do they all look the same? Bring some shells home with you to help you complete some of these activities.</p>	<p>Have a go at making a paper plate crab. I have attached the instructions of how to make one.</p>
<p>If you can print out the under the sea board game (or your grown up might be able to draw it for you). Roll a dice and follow the instructions!</p>	<p>Using the shells that you have collected (or draw and cut out some shells from paper) see if you can complete some maths problems. Count out 12 shells. Can you divide them between 2 buckets? Now can you divide between 3 buckets?</p>	<p>Print out (or make your own) numbered shells to 20. Make your own washing line outside and peg the numbers up in the right order.</p>	<p>With some of the shells that you have collected, can you write descriptive sentences about them? Are the bumpy, or smooth, flat or pointy?</p>
<p>Can you make a rock pool and some sea creatures to put in the rock pool?</p>	<p>Can you move in the style of different sea creatures? I have attached some ideas of how you could move!</p>	<p>Find out some facts about a sea creature. Draw a picture of it and then write 2/3 sentences about one.</p>	<p>Draw, paint, or make your favourite sea creature from the story. Write a simple sentence to tell me about your work.</p>
<p>Starfish also live in rock pools. Why not have a try at making some salt dough and making a star fish and any other sea creatures?</p>	<p>Have a go at the subtraction sheet using the number line. Don't worry if you can't print it out, just copy onto paper. You can use your shells to help you solve the sums.</p>	<p>Learn the rhyme 1, 2, 3, 4, 5 - https://www.bbc.co.uk/teach/school-radio/nursery-rhymes-1-2-3-4-5-once-i-caught-a-fish-alive/zdy6jhv</p> <p>https://www.youtube.com/watch?v=thTysPVvSSQ</p>	<p>Can you take some photos of the treasures you find on the beach?</p>

I hope you are all keeping well. I have added some things which can be printed out but please don't worry if you have got a printer. They can be easily drawn onto paper. Please send any photos to eyfs@zetland.org.uk. Take care and have a good week!
