<p>Have a look at the rockpool counting sheet. Can you write down how many you find?</p>	<p>Write a list of things you need to take to the beach with you.</p>	<p>Can you make a boat from any empty containers you have got at home? Does it float? How many 10p pieces can it carry before it sinks?</p>	<p>Create a piece of art using the waves as inspiration. You could colour, paint or use collage materials.</p>
<p>Can you complete the doubling shells activity sheet?</p>	<p>Enjoy exploring our beautiful beach. Can you create something in the sand?</p>	<p>Here are a couple of things to listen to and join in with. https://www.bbc.co.uk/teach/school-radio/eyfs-listen-and-play-at-the-seaside/zvyf6v4 https://www.bbc.co.uk/teach/school-radio/nursery-rhymes-sailor-went-to-sea/z69vhbk</p>	<p>At the seaside you can enjoy a ice cream! Can you find out how much each ice cream will cost by adding up the different coins?</p>

I hope you are all keeping well. I have added some things which can be printed out but please don't worry if you haven't got a printer. They can be easily drawn onto paper or you are very welcome to pick up a printed pack from the school office. Please send any photos to eyfs@zetland.org.uk. Take care and have a good week!
