

ZPS Restricting movement around school.

Reviewed March 21

Generally, staff will work in their own classroom.

Staff room areas, remote from other staff teams:

- 3 x staff room (EYFS/KS1 and 2 x for KS2/Office staff/SCITT students)

Designated toilets remain the same for staff

Toilet arrangements for pupils organised by classes with children limited to using them during sessions to 2 pupils per class where possible

Storage of pupil coats on pegs or chairs to avoid coats touching

Staff to communicate when children from their group are using toilets to avoid children from other groups mixing – use of whiteboards to indicate pupil's use of toilet. Restricted to one name per class group (unless in an emergency)

Movement of pupils around school will be avoided if possible. Where movement is unavoidable, social distancing will be maintained where practicable.

Pupils will have a dedicated entry/exit, playground area and toilet facilities that are not used by other pupils at the same time.

Visitors to school are not allowed without appointment.

Staff will avoid visiting other classrooms where possible, including before and after pupils on site.

Outdoor areas will continue to be utilised whenever the weather allows. Pupils will be allowed to bring a coat.

The hall will be used by pupils following the normal PE timetable, including in the case of persistent bad weather.

Pupils will not be able to visit the office except in an emergency.

Staff may visit the office when required.

Staff training will be reviewed on a timely basis
