Persistent poor behaviour may lead to an internal exclusion or a suspension. In severe cases, a permanent exclusion will occur.

Steps:	Actions:	
<p>Learners are held responsible for their behaviour. Staff will deal with behaviour without delegating. Staff will use all skills at disposal to de-escalate the situation, calling upon members of their team to act as a 'fresh face' and redirect where possible. Child must be in a calm state ready to reflect upon behavior. The staff at Zetland Primary School will follow the Behaviour Pathway when faced with behaviour which does not meet the expected standard. Children will enter the pathway at the appropriate stage dependent on the behaviour seen.</p>		
<p>"Is there a problem?"/ Redirection</p>	<p>"Is there a problem? Remember we need to follow the three school rules." (refer to the school rules) First the child is asked if they have a problem that needs sorting out. If yes, the member of staff will help resolve it. If no, the child is reminded of what they should be doing and encouraged to get on sensibly. Adult to be curious at this stage. Redirect if necessary.</p>	
<p>Stage 1</p>	<p>"I can see you are... Think about our school rules. You need to be... If you continue you will... Think carefully about your next step. This is a stage 1 warning."</p> <p>Verbal warning given. State to child that this is a stage 1 warning. Re-direct – RESET token to other classroom. (movement break), new space in class, adult to be in close proximity, positive praise, fresh face, wellbeing toolkit.</p>	<p>Repeatedly talking while an adult is talking. Talking when asked not to. Repeatedly shouting out Poor presentation in books Other low-level behaviour; rocking on chairs, inattention, Inappropriate behaviour around school; not lining up after break/ No homework / No PE kit Not being ready to learn</p>
<p>Stage 2</p>	<p>" I noticed you are...It was the rule about....that you broke. Do you remember when....(link to a positive example of behaviour shown by the child). That is who I need to see today. Thank you for listening. This is a stage 2 warning."</p> <p>State to child that this is a stage 2.</p> <p>Miss 5 minutes of playtime – to be kept in class after session has finished to discuss with teacher or to sit out on the yard/ walk with an adult.</p>	<p>Not handing in a phone (Y5 & 6) Chewing gum/sweets Persistent noise making with the intent to distract Running in school/being in a place without permission Low level rudeness – answering back, disrespectful tone, eye rolling, tutting, Name calling/teasing Any persistently poor behaviour Persistently forgetting homework & PE kit</p>
<p>Stage 3</p>	<p>"I have noticed that you have chosen to (Behaviour). You need to have a time out in (Designated area). I liked it when you (previous positive behaviour)."</p> <p>Miss playtime (10 min) Report to parents Record on CPOMS</p>	<p>Spitting on ground Rough play leading to someone being hurt Swearing (use of inappropriate language accidentally) Potentially harmful behaviour in or around school – dangerous playtime games Intentionally hurtful comments Dishonesty Persistent disobedience Using a personal phone in school</p>
<p>Stage 4</p>	<p>"I have noticed that you have chosen to (Behaviour). I will now need to ask for a member of SLT to speak to you"</p>	<p>Dangerous behaviour in or around school. Aggressive behaviour and/or violence Abuse/discriminative abuse</p>

Child is sent to work in another place in school for an agreed period of time</p> <p>Pupil must apologise and state how they will put things right and behave in future using reflection sheet. This will be after the child has calmed following the incident.</p> <p>A letter sent home explaining that the what happened. "Today your child showed a stage 4 behaviour, a repeat of this type of behavior will result in an internal exclusion and may result in a suspension if it continues"</p> <p>2 x stages 4 behaviours = 1 stage 5</p> <p>Confiscation of phone – screening may be necessary and consider contact with external agencies.</p> <p>Recorded on CPOMs.</p>	<p>Fighting, punching, kicking, strangling, marks made on skin, spitting at somebody</p> <p>Vandalism/graffiti</p> <p>Rude/inappropriate language</p> <p>Swearing at someone</p> <p>Refusing to follow specific direction from an adult</p> <p>Absconding</p> <p>Inappropriate use of a phone at school</p> <p>Bullying</p> <p>Theft</p> <p>Racism</p> <p>Inciting/Premeditated violence</p> <p>Running out of school.</p>

Encourage Positive Behaviours

- Praise the children for demonstrating our TRECK Values
- Build positive relationships with the children and use positive language.
- Stay calm in every situation and be a good listener.
- Know and reinforce the school rules (Be Ready, Be Respectful, Be Safe).
- Encourage the children to help you with jobs or other little roles.
- Show an interest in them and build a mutual respect.
- Participate in games with the children.
- Encourage the children to join in with organised games run by our Play Leader and sports leaders.
- Keep children busy – spot ‘hotspots’ and be proactive in either redirecting to another game or participating to model good choices.

Warning: Reminder of School Rules

- A child may need the support of an adult to de-escalate a matter (e.g. several children come to you saying, “It wasn’t me, he was doing it too!”) Don’t enter into a debate with the children and remain calm. Always use a calm voice.
- Give the children an opportunity to speak separately and remove any audience/groups of children who have gathered. If needed, give the child/children a reminder about the behaviour you expect to see, reminding them of the school rules.
- Remind the children involved that the adults on the yard will continue to monitor the situation to make sure the school rules are followed. Offer support in guiding children to a resolution.
- In some cases, the child might benefit from you asking them to support you with a job, or it might be best to encourage them to join in with organised games run by our Play Leader to remove them from a situation that may escalate. The child could also make use of the wellbeing toolkit as well.

*These incidents that have been resolved do not need to be passed on to the year group staff.

Time Out: Stage 2 5mins

If the behaviour continues, then the child must walk around quietly with an adult to give them time to calm down and think about their behavior, or may sit quietly for time-out in a supervised place on the playground (e.g. benches). Remember that the purpose of this is to calm down and de-escalate the situation – not a punishment. Building a relationship with a child during this time, showing empathy, being curious about the problem is helpful.

After 5 mins, speak to the child and give them two choices:

- Re-join the children playing sensibly following the school rules
Or
- Take some more time and continue to stand/walk with the adult

*This member of staff will pass on the information to the class teacher.

Escalation: Child to come to the on-duty adult

- For any inappropriate behavior (Behaviour stage 3+) or for a child who has not responded to the above interventions (e.g. time out) then this child must be removed from the playground and brought into the on-duty lunchtime adult.
- Child completes a reflection form with a member of staff, who will also log this onto CPOMS.
- Parent/Carer to be informed.

*These incidents need to be passed on to the class teacher/ SLT.

Guidance for identified children

- Please ensure you follow specific guidance from class teachers for identified children. This guidance may include all incidents being reported to year group staff whether minor or otherwise or removing a child from the playground immediately if an incident occurs.

At Zetland Primary School, we encourage pupils to use the 'High 5' as a reminder of the five things that help them take control of the situation.

We believe that trying to self-solve empowers the child and does not allow others to try to intimidate.

1. Ignore - Do not respond to a rise.

2. Walk Away - Remove yourself from a situation you don't like.

3. Talk Friendly - E.g. 'Please don't say that.'

4. Talk Firmly - E.g. 'I REALLY don't like you doing that!'

5. Tell an Adult - Tell an adult on duty if other steps have been exhausted. – Adult to support children through the other steps by acting as a mediator.
